COLIBRI

The Invacare® COLIBRI™ is the perfect travel companion. Safe, stylish and sporty, COLIBRI™ comes charged with the latest in comfort, convenience and design features. Whether it's trips to the mall, visits to the park or weekends away, the COLIBRI™ has been engineered to safely get you where you want to go.

A scooter as unique as you are.

COLIBRI™ offers three platforms with different wheel and battery options:

- 3-Wheel, 11 km Travel Range, 200x50 Wheels
- 4-Wheel, 11 km Travel Range, 200x50 Wheels
- 4-Wheel, 16 km Travel Range, 210x65 Wheels

The three-wheel COLIBRI™ scooter provides an unparalleled turning radius and additional foot room, while the four wheel models provides more robust platforms. The smaller wheel and battery options are perfect for shorter excursions and the frequent traveler, while the larger wheel and battery size improves range and performance over small obstacles. All three platforms come standard with a powerful 200 WATT motor, providing safety through increased torque at low speeds and a class-leading 8 km/h travel speed.

COLIBRI

COLIBRI provides further personalization through the choice of five bold new interchangeable colour sets. The result is five different looks that have one thing in common – style.

-  **Jasper Red**
-  **Sunstone Orange**
-  **Marble White**
-  **Jade Green**
-  **Sapphire Blue**

1) COLIBRI introduces Invacare®'s patented LiteLock™ technology. LiteLock enables you to disassemble and assemble the COLIBRI for travel in seconds, providing manageable components to easily transport in any car.

2) Seat = 22 lbs/10 kg, Battery Pack = 22 lbs/10 kg (12 AH) /32 lbs/14.5 kg (18 AH), Basket = 1.45 lbs/.66 kg, Front = 29 lbs/13.2 kg (3W) / 34 lbs/15.4 kg (4W), Rear = 21 lbs/9.5 kg

3) COLIBRI's adjustable three-position tiller, delta steering handle and ample leg room deliver you the perfect driving position providing for safe and comfortable travel. Additional comfort is provided in the padded vinyl driver seat which features width and angle adjustable arms and stylish accent stitching.

4) Sleek, double-spoke black tires are mark-free and provide peace-of-mind reliability all while enhancing the overall design of the scooter. The dual battery pack options offer convenient charging through the front port to allow you to easily plug in for another day of travel.

5) Standard built-in safety features include rear anti-tippers, front and rear mounted reflectors to enhance visibility and a brake disengagement lever for manual transport. Convenient speed control and audible warning device are also standard and easily accessible on the COLIBRI driver control panel.

Optional accessories include spring seat suspension, protective scooter cover and more.
